# Allcomm Implementing Public Safety Solutions

Allcomm Wireless was awarded a contract to install and maintain a Motorola 800 MHz Digital Trunked Smartzone System for the Police and Fire Departments in Pleasant Grove, AL. The previous console dispatch system was upgraded to a New Motorola MIP5000 IP based console network.

Allcomm was also contracted by the City of Irondale to replace their current 911 PSAP with a new Cassidian Sentinel Next Generation 911 System with which over 80% of calls are answered by a Cassidian System. In addition Allcomm replaced the old console network with a Motorola MIP5000 IP Based Console System.
